To Whom It May Concern:

Records of the Alabama State Board of Prosthetists and Orthotists indicate that many practitioners of prosthetic, orthotic, or pedorthic care in Alabama have not renewed their license with the Board for 2026. If you wish to provide such care in Alabama, please take the steps necessary to obtain or renew such a license with the Board.

While the Alabama Sunset Committee has recommended that the Board be sunset at the 2026 legislative session, that recommendation does not relieve the Board of its duty to regulate the practice of prosthetic, orthotic, and pedorthic in Alabama. Therefore, the Board will continue to fulfill its duties under Alabama law until further notice.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink, which appears to read "Andrew C. Crowder".
